Dear Sir:

Mr. W. C. Langdon of the Telephone Company was telling me, the other day, that you had recently designed a medal known as the "J. J. Carty Medal." We are about to publish a book on Medals for Saving Life and Mr. Langdon was not sure whether this medal was to be used for this purpose. Could you tell me or refer me to the people who issue it and I can get the information from them?

Very truly yours,
